Delaware Council on Real Estate Appraisers Application for Exemption Pursuant to Rule and Regulation 4.2.3

We respectfully request that the Delaware Council on Real Estate Appraisers grant an exemption pursuant to Rule and Regulation 4.2.3. A trainee who has obtained 250 hours of residential appraising experience or 1000 hours of non-residential appraising experience and his sponsor may request an exemption allowing the sponsor to sign the appraisal report without inspecting the property provided the trainee is competent to perform the inspection. Attached is an experience log evidencing the hours completed. The street, city, and state address is identified for each property identified on the log. We understand that the Delaware Council on Real Estate Appraisers will not consider any hours for work performed outside the State of Delaware unless verification of trainee licensure from that state's licensing office is submitted along with this request. If the experience is obtained in a state that trainee licensure is not mandatory, a copy of that state's statute is required.
